**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competitive broadband. Where I live, we have one cable company that has sky-high rates and unnecessary data caps just to wring even more profit out of captive customers. Without competition, cable providers are just left to rip off captive customers and shove forced bundles down their throats!
